

6th Grade Lamar Middle School Band Co-curricular Fee Worksheet 2011-2012

The purpose of this worksheet is to simplify things for you, your student, and the band staff. These items are necessary and are unfortunately not covered under LISD budgets. The table below summarizes where the money will be used.

Co-Curricular Band Fee	Fundraising
Fees include a binder with transparent sleeves, zipper pencil bag, solo entry fee, accompanist fee, and red Lamar band polo shirt.	Lamar Band students participate in one fundraising event each school year. This money administered by Lamar Band Boosters is used for travel, concert events, spring festivals, clinics, and other band related expenses not covered by LISD or the Band Fees.

Total Co-Curricular Band Fees for 2011-2012 are \$50.00. Any family unable to meet these fees should contact the directors as soon as possible. No student will be denied the ability to participate for financial reasons.
